A contract on behalf of a department of the Govt of India must be in the name of the Secy of State for India, though it may be signed by the Head of the Dept or other officer duly authorised in this behalf. This agreement, if it has to satisfy the formalities of law, has to be between the Govt of Mysore represented by the Supdt of G. I am however inclined to think that the contract in this case being for a short period of 5 months, it is not perhaps very necessary to make it legally binding on the Govt of India. It may be sufficient if it is made binding on the holders of the office for the being time being. The agreement has for this purpose to mention the names of the
